INVITATION

Bishop Moore College Mavelikara, a centre for self discovery and a pioneering Educational Institution of Kerala was established in 1964. The junior college got upgraded into a Degree College in 1967. The Dept. of Economics completes 50 years of its establishment during this academic year (2017- 18). Thus this year turns out to be the Golden Jubilee Year for the Department. It is the time for thanks giving and celebrations.

The great vision, unflinching commitment, eminence and scholarship of the faculty, their love, concern and individual attention to the wards which transformed and shaped the students can be considered as the hall mark of the Department.

The Bishop M.M. John Memorial lecture conducted by the Department every year is a special feature. Very eminent personalities delivered this lecture in the previous years. Sri. EMS Nampoothiripad, Dr. I.S. Gulathi, Dr.M.A. Oommen, Dr. Valiathan, Dr. C.T. Kurien, Dr. Thomas Issaac etc., are a few among them. This year, the memorial lecture will be delivered by Prof. Dr. Rajan Gurukkal, (Vice-Chairman, Kerala State Higher Education Council and former Vice Chancellor of Mahatma Gandhi University) on the topic, "Outcome Based Education" at 10 a.m. on March 1, 2018.

The teacher student relation- ship is a unique feature that prompts the students to come back to their college as well as to the Department again and again with a sense of nostalgia.

Forty Seven batches have already left the portals of the Department, marking their existence as real human beings, cherishing and nurturing the values of life and are now serving in various capacities in different places.
