## What are the new things in RAF

- The Revised Assessment and Accreditation (A&A) Framework is launched in July 2017. It represents an explicit Paradigm Shift, making it ICT enabled, objective, transparent, scalable and robust. The Shift is:
- from qualitative peer judgement to data based quantitative indicator evaluation.
- towards extensive use of ICT confirming scalability and robustness
- simplification of the process, drastic reduction in number of questions, size of the report, visit days, and so on. reduced duration of accreditation process.
- System Generated Scores (SGS) with combination of online evaluation (about 70%) and peer judgement (about 30%).
- introducing Pre-qualifier for peer team visit, as 25% of system generated score
- element of third party validation of data and the possibility of roping in multiple agencies.
- affiliated colleges are divided into 2 categories. viz. UG and PG colleges.
- in revising several metrics to bring in enhanced participation of students and a the assessment process
