Republic Day celebration

On 26 January 2021, We the people of India celebrated our 72nd Republic Day in the memory in which the great Constituion of India came in effect on 1950.

National Service Scheme volunteers of Bishop Moore College, Mavelikkara also celebrated Republic Day, but as online as a part of following pandemic Covid-19 protocol. The Republic day celebration took place on two days(25,26).

On 25th we conducted an essay writing competition on interdepartmental level on the topic (Independence on 21st Century)which got a wide range of support from the students. The program got lots of essay entries. Several students found it as a great oppurtunity given from the part of NSS unitof the college to show their talent and to share their ideas.

On 26th we started our programs on sharp 10am with the NSS Song by A S Chandana from English department . Bhagyalakshmi D from Botany department anchored the program. In which Surya Anilkumar B. Com finance department delivered the welcome speech. Malavika Devan from Economics department delivered a Republic Day speech. Our programme officer Deepa mam shared Republic day thought with us and also she announced the name of the winner of letter writing competition conducted on our seven day camp in this occasion. After that all the departments were welcomed to give their presentation on some states given to them by the program committee. Mathematics-Karnataka, Malayalam-Kerala, Bcom CA-Himachal Pradesh, Zoology-Assam, English-Orissa, Chemistry-Gujarat, Physics-Arunachal Pradesh, Bcom Finance- Madhya Pradesh, Economics-Uttarakhand, Botany-Rajasthan, Botany & Biotech-Andhra Pradesh respectively. All departments did their presentation effectively by giving clear picture of those state's culture, traditions, history, dressing style, food style, tourism, sports, festivals and the specialities that may have. They used several videos to modify their presentation. All departments delivered a elaborate view of the states they got. The program was ended with the vote of thanks by Sreenija S Pillai from English department and National Anthem by Adarsh R from Economics department. It was really a wonderful program which also shows the power of Indian youth who are the future of the nation moving ahead

through their duties without any troubles even through the barriers created by the pandemic Covid-19.
