

- 27 Feb 2021: NSS observes National Science Day

## **NATIONAL SERVICE SCHEME, BISHOP MOORE COLLEGE, MAVELIKARA UNIT 41 A&B**

| 27/02/2021

As 28<sup>th</sup> February was observed as National Science Day as a memory of the day in which the one of the great Indian Scientists C.V. Raman invented Raman effect in between the voyage to Europe. National Service Scheme, Bishop Moore College, Mavelikara conducted a program. On February 27<sup>th</sup>.

The program started at sharp 7 pm. In this session Feba Mary John of Ba English department shared some information among the students about C. V. Raman, his parents, his parents support on his studies, his nativity and how he came into the invention of Raman effect after the session questions were asked to volunteers in which gave a Good Response. At the time of this class Sandeep Ummen of BA English department drew a sketch of Sir C.V Raman.

After this one more session was conducted by A. S. Chandana of BA English department. On the topic of mission Mars 2020. It was an interactive session in which The landing and Sample collecting mission of perseverance rover was discussed. In this discussions were there and also the are given particular answers on those topics. It was quiet interesting to all volunteers in whichn excellent responses and feedbacks are given. All these programs were conducted in the presence of NSS program officers Dr. Saji Samuel sir and Dr. Deepa Thomas Mam. Senior NSS volunteer leaders also presented to observe this programme. The programme ended at sharp 8:10 itself.
