Dear Dr D.Sajan

We are delighted to invite you to give an Invited Lecture at the International Conference on Emerging Advanced Nanomaterials 2022 (ICEAN-2022) to be held in the Newcastle Exhibition and Convention Center, Newcastle, NSW, Australia, from October 17-21, 2022. We are happy to waive your registration fee and reimburse your flight tickets. Also, we will arrange your accommodation in Newcastle during the conference time. We are privileged to have a few Public and Nobel Laureate Lectures given by **Prof. A. Geim, Prof. A. E. Yonath, and Prof. Jean-Marie Lehn** and several Plenary talks by world-leading academics in the field of advanced materials.

More details about the conference can be found in the below link: <https://www.newcastle.edu.au/research/centre/gican/icean-2022>. Looking forward to meeting you soon in Newcastle.

With regards

Ajayan Vinu

Chair, ICEAN-2022, Newcastle, Australia
