

Activity Report for the MIC Driven Activity:

Participation of IIC Institutions in IIC Regional Meets(Q4) 6th August 2022, 9 am-6 pm

Institution's Innovation Council (IIC) of Bishop Moore College, Mavelikara, participated in the IIC Regional Meet held in Kochi on 6th August 2022 at KMEA Engineering College organised by MoE's Innovation Cell Dr. Tressia Alias Princy Paulose, IIC Convenor of Bishop Moore College participated in the Meet and also presented a poster representing Bishop Moore College. She participated in the Track 3: Knowledge sharing session on Benchmarking, Measuring I & E Ecosystem in HEI and Impact Creation (related to ARIIA). The Regional Meet helped us to understand the objectives of IIC and the role it has to play in developing the innovation ecosystem in our campuses.
