GENESIS

Bishop Moore College had its genesis in the imagination of Bishop M. M. John, the then Bishop of the C.S.I. Madhya Kerala Diocese. When the Government of Kerala announced its decision to start new junior colleges in 1964, Bishop M. M. John saw it as an opportunity to fulfill the urgent need for a quality educational institution in this part of the world. Thus Bishop Moore College took concrete shape and he christened it in honour of the late Rt. Rev. Edward Alfred Livingstone Moore, the fourth Anglican Bishop of the Diocese of Travancore- Cochin. Rev. K. C. Mathew was appointed Principal.

Instilled with a secular outlook, the founding fathers of the College had the singular aim of ameliorating the lot of the society, especially the most downtrodden. They aimed at shaping the citizens imbued with a patriotic outlook for the nation providing equal opportunities for all irrespective of religion, caste, class or gender.

The College began at Kallumala, Mavelikara in the Alappuzha District of Kerala as a Junior College offering two years Pre-Degree Course in 1964 and has since then grown to an institution that offers several Under Graduate, Post Graduate Courses and Research facilities. The College has been able to do justice and attain the vision and mission of its founding fathers.

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

The Shield of Bishop Moore College Coat of Arms has three sections. The top left has a burning torch, signifying the light of wisdom and enlightenment. The top right contains a harvested sheaf, which embodies our vision that every individual who belongs to the institution will grow up to reap rich and meaningful harvests in life. The bottom part has an open Bible, with the words "The Truth Shall Make You Free" (John 8:32), which is taken as the motto of the College.

On the top of the Shield is the Bishop's mitre. This stands for the Episcopal nature of the College Management, and is also a symbol of the Christian values upheld by the institution. Below the mitre is the ribbon with three projections, representing the Father, Son and the Holy Spirit of the Trinity. The central projection that waves into and out of the mitre signifies Jesus Christ who came to dwell among humans and whose unseen presence is the real influence upon every noble act and task.

The decorative ribbon at the bottom carries the name of the institution, with its location. The ribbon is a symbol of the sense of satisfaction and celebration that is expected to be in the hearts of all around when they think of and feel for the College.
