

# Moore Initiative for Skill Training (MIST)

Bishop Moore College, Mavelikara

## Annual Report

Moore Initiative for Skill Training (MIST) is an initiative of the college open to all students, teaching and non-teaching staff of the college. We provide classes on fabric painting, flower arrangement, photography, organic farming, self defence training, Ornamental Birds Breeding, Embroidery, Interior Designing, Baking, Vermi-composting etc. Ms. Anjali Susan Ninan, Assistant Professor, Department of Mathematics was appointed as the programme coordinator. The MIST committee consists of 4 other teachers – Dr. Merin George ( Physics), Dr. Abha K.(Chemistry), Ms. Somi Cherian(Zoology), and Dr. Sudha Mary Thomas(Malayalam).

### Objectives:

- Provide opportunity to train new skills
- Provide platform for skill development and monetization
- Enhancing skill sets of an individual for the development of the individual, the college and the community
- Develop confidence and self reliance

### Inauguration

MIST inauguration was held on 10<sup>th</sup> August 2022, Wednesday at 01:30 pm in the Seminar Hall. The principal of the college, Dr. Jacob Chandy presided over the meeting and also inaugurated the initiative. He mentioned the increasing need for an individual to enhance his/her skill sets for success in professional life. The initiative was felicitated by Dr. Ranjith Mathew Abraham, Vice Principal and Dr. Lynnette Joseph, the IQAC Coordinator. Welcome Address and Vote of Thanks were given by MIST Committee, Ms. Anjali Susan Ninan and Dr. Abha K. respectively. Compering was done by Dr. Sudha Mary Thomas. Around 65 participated which includes students, teachers and non- teaching staff.

### Vermi Composting class

On August 10<sup>th</sup>, immediately after the inauguration, we had our first class on Vermicomposting led by Dr. Reeja Jose, Assistant Professor, Department of Zoology. She taught the various ways of composting and showed us how advantageous is vermi-composting to others. The first part of the session was a power point presentation with all the details and requirements of vermicomposting. The next part there was a hands-on training and demonstration of vermin-composting in the zoology lab.

### Poster Designing using Canva

A class on Poster Designing using the Canva Application was taken by Mr. Adarsh Jacob, Guest Lecturer, Department of Commerce, Bishop Moore College on 17<sup>th</sup> August, 2022 at 1:30 pm in Salle Visuelle. 20 students participated for the program.

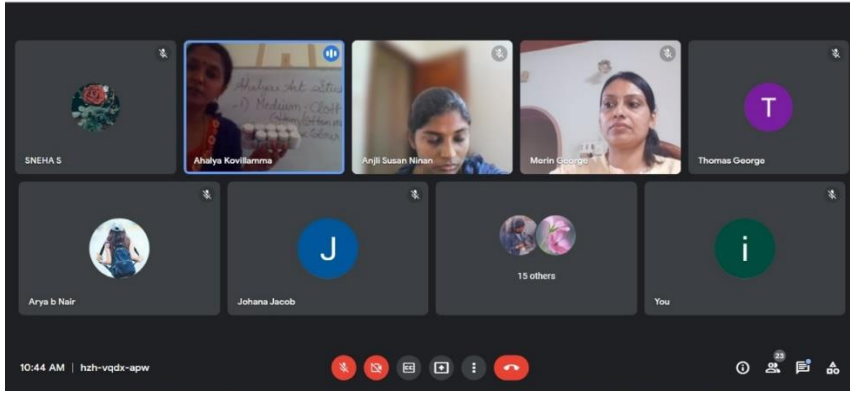

### Embroidery Class

An Embroidery Class was conducted on 17<sup>th</sup> August at 1:30 pm by Ms. Geetha, Teacher, Bishop Moore Vidyapith, Mavelikara. 26 students participated in the programme.
