Interschool Fest

HUNKY BRAINS 7.0: Department of Commerce

The Department of Commerce, Bishop Moore College, Mavelikara, organised HUNKY BRAINS 7.0, an All Kerala Inter-School Fest, with the theme "Storming Young Brains." The fest aimed to provide higher secondary school students with a platform to demonstrate their talents in management, entrepreneurship, business knowledge, communication, sports, and creative skills. The fest witnessed the participation of 24 schools and 193 participants from across Kerala. The 3×3 Football competition – ARES CUP was conducted on 30 September 2026, while all the other events were conducted on 3 October 2026. The programme was formally inaugurated by the Principal, Dr Ranjith Mathew Abraham.

The fest featured a variety of competitions, including Athena – Best Management Team, Zephora – Best Entrepreneurial Team, Kleos – Business Quiz, Apollo – Solo Song, Rex Romulus – Best Manager, Philotes Circle – Best Buddies, and the Ares Cup – 3×3 Football.

The competitions witnessed enthusiastic participation and healthy competition among the participating schools.Holy Trinity Vidhyabhavan, Karthikappally, emerged as the Overall Champion, while The Choice School secured the position of First Runner-up and Gayathri Central School became the Second Runner-up. A cash prize of ₹5,000 was awarded as part of the fest prizes.The programme was coordinated under the guidance of the teachers-in-charge, Mr Adarsh Philip Jacob and Ms Lekshmi R Nathan, whose efforts contributed to the successful conduct of HUNKY BRAINS 7.0.

College Diamond Jubilee Hall.....

Dedication of

Diamond Jubilee Hall

The Alumni Association of Bishop Moore College, Mavelikara, dedicated the newly furnished Diamond Jubilee Hall on 28 August 2026, marking a significant milestone in the institution's development. The hall was furnished through the generous contributions and collective efforts of the alumni, reflecting their enduring bond with their alma mater and their commitment to supporting its growth.

On 2 September 2026, the Manager and Bishop of the CSI Madhya Kerala Diocese blessed the hall and formally opened it for use. The occasion marked an important step in enhancing the college's infrastructure and providing an improved facility for academic and institutional activities.

The initiative stands as a testament to the generosity, gratitude, and continued involvement of the alumni in the progress of Bishop Moore College. The newly furnished hall is expected to serve as a valuable venue for meetings, academic programmes, and other college events.

The college expresses its sincere appreciation to the Alumni Association and all contributors for their valuable support and dedication to the institution.

Annual Academic and Administrative Audit

IQAC

Annual Academic and Administrative Audit

The Internal Quality Assurance Cell (IQAC) of Bishop Moore College, Mavelikara, conducted the Academic and Administrative Audit for the academic year 2025–26 on 2 September 2026. The audit aimed to review the academic and administrative activities of the institution and assess the functioning of its various departments and organizational units.

The programme commenced with presentations by the heads and representatives of the college departments, including Commerce, Economics, Zoology, Malayalam, Mathematics, Physics, Chemistry, English, Botany and Biotechnology, and Physical Education. Each department presented an overview of its activities and achievements during the academic year. This was followed by presentations from other organizational units, including the Extension Clubs, Institution Innovation Council (IIC), Internal Quality Assurance Cell (IQAC), and the Administrative Audit team.

The exit meeting was held in the College Seminar Hall. The session began with a prayer song, followed by the welcome address delivered by Principal Prof. Dr. Ranjith Mathew Abraham. Rt. Rev. Dr. Malayil Sabu Koshy Cherian, Manager and Bishop of the CSI Madhya Kerala Diocese, delivered the Manager's Address. The vote of thanks was proposed by Vice Principal Prof. Dr. Anne Angeline Abraham.

The audit provided an opportunity to review institutional performance, document departmental initiatives, and identify areas for further improvement. It reaffirmed the college's commitment to maintaining academic standards, strengthening administrative efficiency, and fostering a culture of continuous quality enhancement.

Career Guidance and Placement Cell

Resume Building and LinkedIn Profile Creation Workshop

The Career Guidance and Placement Cell of Bishop Moore College, Mavelikara, in association with the Additional Skill Acquisition Programme (ASAP), Government of Kerala, organised a **Resume Building and LinkedIn Profile Creation Workshop** on 19 September 2026 (Saturday), from 9:30 a.m. to 3:30 p.m. The workshop aimed to equip students with essential skills for preparing effective resumes and creating professional LinkedIn profiles to enhance their employability and career prospects. The sessions focused on developing strong professional profiles, highlighting relevant skills and achievements, and utilising LinkedIn effectively to explore career opportunities. The programme was limited to 30 participants on a first-come, first-served basis. No registration fee was charged, and participation certificates were provided to all registered participants.

IIC and ASAP

Two-Day Workshop on “Entrepreneurship: Idea to MVP”

The Institution’s Innovation Council (IIC) of Bishop Moore College, Mavelikara, in association with the Additional Skill Acquisition Programme (ASAP), Kerala, organised a two-day workshop on “Entrepreneurship: Idea to MVP” on 12 and 19 September 2026. The programme was conducted from 9:30 a.m. to 3:30 p.m. on both days. Mr. Francis Augustine Joseph, IEDC Nodal Officer ar Carmel Polytechnic College, Alappuzha was the resource person. The workshop aimed to foster entrepreneurial thinking among students and equip them with the skills required to transform innovative ideas into viable products. The sessions focused on the various stages of entrepreneurship, including idea generation, validation of business ideas, product development, preparation of a Minimum Viable Product (MVP), and launching a product in the market.

Alumni Association, Department of English and Department of Malayalam

Talk on "Journalism: Challenges and Possibilities"

The Alumni Association of Bishop Moore College, Mavelikara, organised the first lecture in its Academic Talk Series on "Journalism: Challenges and Possibilities" on 7 September 2026 at 10:00 a.m. The programme was organised by the Academic Committee of the Alumni Association in association with the Departments of English and Malayalam.

The session featured Mr. A. J. Philip, Senior Journalist and Columnist, as the resource person. With decades of experience in public-interest journalism, he shared his insights into the evolving landscape of Indian journalism and the challenges faced by the media in the contemporary world.

The talk explored important issues concerning the credibility of the press, the courage required for responsible reporting, and the changing role of journalists in society. The resource person highlighted the importance of ethical journalism, accuracy, accountability, and the responsibility of the media to uphold democratic values. He also discussed the challenges confronting journalists and the possibilities for strengthening public trust in the press.

The session provided valuable insights into the professional and ethical dimensions of journalism and encouraged participants to critically reflect on the role of the media in shaping public opinion and promoting informed citizenship.

The programme marked a meaningful beginning to the Academic Talk Series of the Alumni Association, fostering academic engagement and meaningful interaction between students and an experienced media professional.

Career Guidance and Placement Cell

Inauguration of the Civil Service Club

The Civil Service Club, a joint initiative of the Career Guidance and Placement Cell, Bishop Moore College, Mavelikara, and Fortune IAS Academy, Trivandrum, was inaugurated on 11 September 2026 at the Seminar Hall, Bishop Moore College. The programme was organized with the objective of motivating and equipping students to pursue careers in the civil services and other competitive examinations.

The programme commenced with a prayer song, followed by the welcome address delivered by Ms. Linda E Jacob, Placement Cell Convenor, Bishop Moore College. Dr. Ranjith Mathew Abraham, Principal, Bishop Moore College, delivered the presidential address and formally inaugurated the Civil Service Club. As part of the inauguration, Fortune IAS Academy handed over a Civil Service Books Kit to the Principal. The programme also included felicitations by Dr. Anne Angeline Abraham, Vice Principal, and Dr. Lynnette Joseph, IQAC

Convenor, followed by the vote of thanks delivered by Ms. Swathy S, Student Representative, Civil Service Club.

The highlight of the programme was the Civil Service Orientation Talk by Mr. Amal Kampiyil, UPSC Topper 2026, Fortune IAS Academy. He shared his UPSC preparation journey, experiences, challenges and strategies, offering valuable insights and motivation to students aspiring to enter the civil services. His interaction encouraged students to approach competitive examinations with determination, discipline and a clear understanding of the preparation process.

Around 50 students actively participated in the programme and benefited from the orientation session. The event concluded with an introduction to the activities of the Civil Service Club by Ms. Varsha Sayooj Fortune IAS Academy Mentor, along with a scholarship test.

National Service Scheme

Enrolment Drive

The National Service Scheme (NSS) Units 41 A and B of Bishop Moore College, Mavelikara, conducted an NSS Enrolment Programme on 8 September 2026 at 10:30 a.m. in the Seminar Hall.

The programme was organised for students who could not attend the previous enrolment session. Second-year students who had missed enrolment during the previous academic year were also given an opportunity to join the programme.

The initiative aimed to encourage students to participate in community service and develop a sense of social responsibility. Through NSS, students are encouraged to cultivate leadership qualities, promote unity and teamwork, and contribute to the welfare of society.

The programme highlighted the core values of NSS, including service, leadership, social commitment, and unity in diversity. It motivated students to become responsible citizens and actively participate in activities that bring positive changes to the community.

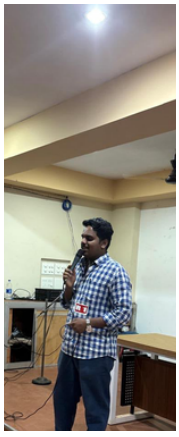

National Service Scheme

Elocution Competition in association with Thunder Club

The NSS Unit (No: 41A&B) of Bishop Moore College Mavelikara, in association with the Thunder Club, organized a College-Level Malayalam Elocution Competition on the topic "ലഹരി: സ്വാതന്ത്ര്യത്തെ കവർന്നെടുക്കുന്ന അടിമത്തം" advocating the message "ലഹരിരഹിത നാളേയ്ക്കായി നമുക്കിന്നേ ശബ്ദമുയർത്താം" on September 14 at 12:45 PM in the Seminar Hall,. Conducted in the presence of the College Vice-Principal, NSS Program Officers, NSS volunteers and students from various academic departments, the event also hosted officers from the Civil Excise Department, with Sri Jayakrishnan G, Preventive Officer from the Excise Range Office, Mavelikara, addressing the gathering on substance abuse prevention.

Assistant Professor Rekha K from the Department of Malayalam served as the judge for the competition. During the contest, where participants were allotted 5 minutes each to express their views, Aswathy Suku (B.Com) won the first prize, Annviya Sara Santhosh (B. Sc Botany & Biotechnology) secured the second prize and Abel Reji (M.A English) took third prize, successfully concluding an impactful program aimed at fostering a drug-free campus community.

Department of Chemistry

World Ozone Day Celebration

The Department of Chemistry, Bishop Moore College, Mavelikara, organized two interdepartmental competitions as part of the World Ozone Day celebrations to raise awareness about ozone layer protection and environmental conservation.

The Drawing Competition was held on 15 September 2026 at 1:00 PM in Zoology Lab I, with eight students from various departments participating. Based on the theme “Protect the Shield, Protect Life,” the participants expressed their ideas through creative and colourful drawings highlighting the importance of protecting the ozone layer. The completed works were displayed on the college notice board. Radhalekshmi R of S1 FYUGP Physics secured first prize, followed by Seethusanthwana P. C. of S3 FYUGP Zoology in second place and Nitha S. Anil of S5 FYUGP Biotechnology in third place.

The Abstract Writing Competition was conducted on 16 September 2026 at 10:00 AM in the Smart Room, with 15 students participating. The abstracts were evaluated based on content, originality, scientific relevance and presentation. Ann Mary Varghese of S1 FYUGP Physics won first prize, Anupama S. Nair of S5 FYUGP Chemistry secured second prize, and Rahul Kumar of S5 FYUGP Zoology won third prize.

The programme successfully combined creativity with scientific inquiry, providing an interdisciplinary platform for students to exchange ideas and demonstrate their awareness of ecological concerns. It also reinforced the importance of individual and collective efforts in protecting the ozone layer, reducing environmental pollution, and promoting sustainable development. Through such initiatives, the Department of Chemistry continues to encourage environmental consciousness and responsible citizenship among students.

Research Excellence

RESEARCH SCHOLAR PUBLISHES IN NANO ENERGY

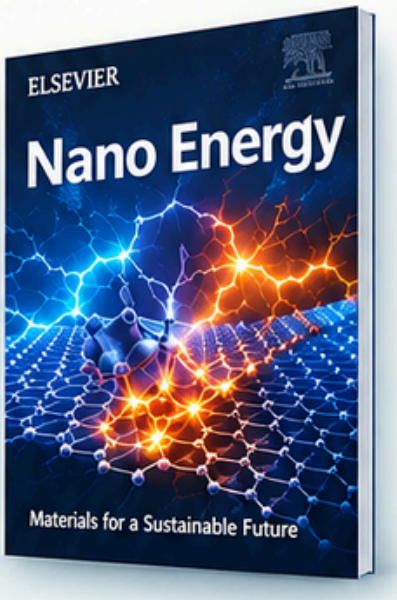

The Research Department of Physics takes pride in sharing the achievement of **Ms. Jibi Kunjumon**, Research Scholar under the guidance of **Dr. D. Sajan**, Professor, Department of Physics, in the prestigious journal *Nano Energy (Q1, IF: 16.7)*!

Ms. Jibi Kunjumon
Research Scholar
Department of Physics

Dr. D. Sajan
Professor of Physics
Department of Physics

PAPER DETAILS

"Organic solvent-assisted pore structure modulation in porous carbons for superior energy storage performance in supercapacitors"

Nano Energy 158 (2026) 112362

This milestone was achieved under the valuable mentorship and guidance of **Dr. D. Sajan**, Professor of Physics, Department of Physics.

RESEARCH IMPACT

The research paves the way for the design of high-performance carbon materials for energy storage devices, contributing to the advancement of clean and sustainable energy solutions.

INSTITUTIONAL COLLABORATION

The research was undertaken under the Erudite Scholar-in-Residence **Programme**, a flagship initiative of the Government of Kerala, spearheaded by the Kerala State Higher Education Council (KSHEC).

We congratulate Ms. Jibi Kunjumon and Dr. D. Sajan on this significant academic achievement.

RESEARCH FOR A SUSTAINABLE TOMORROW

Department of Mathematics

Sudoku Day – Musical Sudoku Competition

The Department of Mathematics, Bishop Moore College, Mavelikara, celebrated Sudoku Day on 9 September 2026 by organising an interdepartmental competition titled "Musical Sudoku." The event was conducted at 1:00 p.m. in Room 172 of the Department of Mathematics.

The competition aimed to promote logical thinking, concentration, problem-solving skills, and teamwork among students through an engaging and innovative mathematical activity. Teams consisting of a maximum of two members participated in the event, with students from different departments given the opportunity to showcase their skills.

The unique feature of the competition was its musical format. Participants were required to solve a Sudoku puzzle while music played. Whenever the music stopped, the puzzle was exchanged with that of a teammate, and the team continued solving until the puzzle was completed.

The competition tested the participants' speed, accuracy, adaptability, and ability to work under time constraints. The event was conducted according to specific rules to ensure fairness. Communication between teammates during play was prohibited, and electronic devices were not permitted. Winners were determined based on accuracy and completion time, while rule violations could lead to disqualification.

With a registration fee of ₹20 per team and exciting prizes for the winners, the competition provided an enjoyable platform for students to explore mathematics beyond the classroom. The celebration successfully combined mathematical reasoning with music and teamwork, making Sudoku Day an engaging and memorable learning experience for the participants.

Banking Services Awareness: SBI

Officials from the State Bank of India (SBI), Mavelikara Branch, conducted an awareness session for the employees of Bishop Moore College on 10 September 2026 at 3:30 PM in the college seminar hall. The session highlighted the benefits of the SBI Salary Package Account, housing and personal loan facilities, and educational loans for the children of salary account holders pursuing higher studies abroad. The officials also introduced various health insurance schemes available to employees.

Department of Physics

KSEB Power Quiz

The Physics Association of Bishop Moore College, Mavelikara, organized the KSEB Power Quiz 2026 on 30 September 2026, witnessing enthusiastic participation from 38 students. The quiz aimed to enhance students' knowledge and awareness of electricity, energy conservation and related topics through an engaging and competitive learning experience. Mr. V. Sreeganesh of S1 B.A. English secured the First Prize, while Ms. Rinkle Mariam Biju of S3 M.Sc. Physics won the Second Prize. The programme encouraged scientific curiosity, promoted awareness of responsible energy usage and provided an interactive platform for students to test their knowledge.

Faculty Recognition

Dr. Anup nominated as Joint Convener of FYUGP Core Committee

Dr. Nair Anup Chandrasekaran, Professor of English at Bishop Moore College, Mavelikara, has been nominated as the Joint Convener of the FYUGP Core Committee, Government of Kerala. This prestigious nomination is a recognition of his academic expertise and contributions to higher education. The appointment brings honour to the institution and reflects its commitment to academic excellence and educational advancement. Bishop Moore College congratulates Dr. Nair Anup Chandrasekaran on this significant achievement and wishes him success in his new responsibility.

IQAC

Training Session for Faculty on using LMS

A training-cum-Q&A session on the Embase Attendance Monitoring App, with special emphasis on creating events in the Embase platform, was conducted on 29 September 2026 at 10.30 a.m. in the Board Room of Bishop Moore College, Mavelikara. Mr. Ashik Rehman of Embase Pro Suite served as the resource person and provided a detailed demonstration of the app's features and functionalities.

National Service Scheme

Thoofan Walkathon

On September 24, 2026, the National Service Scheme (NSS) units of Bishop Moore College, Mavelikara, organized the "Thoofan Walkathon", a high-profile public outreach initiative aimed at combating substance abuse. Initiated from Kallumala Junction, the campaign was conducted under the institutional slogans "Say No to Drugs" and "Say Yes to Life, Health and a Drug-Free Future" to align with the broader regional "Drug-Free Kerala" movement. The primary objectives of the event were to raise public awareness regarding the destructive impact of narcotics, promote healthy lifestyle practices among the youth, and foster civic unity. The event successfully mobilized local citizens, students, and administrative authorities, featuring S. Dwijesh, Circle Inspector of Police, Mavelikara, as the Chief Guest. The initiative achieved significant community mobilization, reinforced institutional collaboration with law enforcement, and successfully demonstrated a structured public advocacy campaign against drug abuse.

ASAP Kerala

Mock Interview and Group Discussion Sessions

Bishop Moore College, Mavelikara, in association with the Additional Skill Acquisition Programme (ASAP), Kerala, organised Mock Interview and Group Discussion Sessions under the RUSA–ASAP Equity Initiative Project Phase 2 on 12 and 19 September 2026. The sessions were conducted from 9:30 a.m. to 4:00 p.m. at the New Seminar Hall of the college.

The programme aimed to enhance students' employability by equipping them with essential communication, interpersonal, and interview skills. Ms. Reshmi Alex, Skill Trainer, ASAP Kerala, Mavelikara, served as the resource person and trainer. The programme was coordinated by Dr. Nair Anup Chandrasekaran, Professor and Head of the Department of English, Bishop Moore College.

Department of Chemistry

Invited Lecture on “Chemistry: Quintessence of Life”

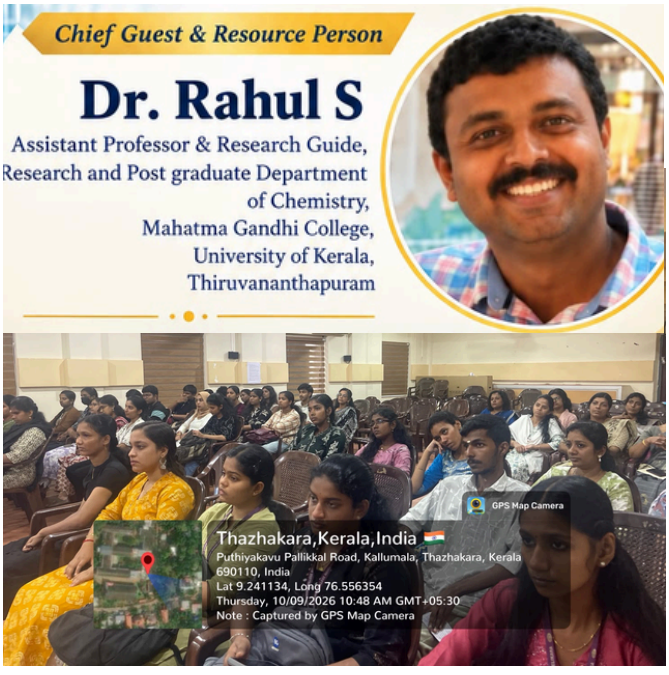

The Postgraduate and Research Department of Chemistry, Bishop Moore College, Mavelikara, formally inaugurated its Chemistry Association, CHEMA – 2026, on 10 September 2026 at Seminar Hall. Programme was organized under the theme “Chemistry: Quintessence of Life”. The programme was conducted in a formal and engaging manner, with Ms Anupama serving as the anchor and guiding the audience through the different segments.

The Programme commenced with a prayer song by Sivakami S, setting a dignified tone for the occasion. Mr. Abhindas C, Association Secretary, delivered the welcome address. The Presidential address was delivered by Dr. Ranjith Mathew Abraham, Principal of Bishop Moore College. In his address, the Principal shared his thoughts on chemistry as a dynamic and evolving subject. He highlighted the way chemistry continually responds to new scientific developments and societal needs, making it a discipline with relevance across diverse areas of life.

Dr. Rahul S, Assistant Professor of Chemistry, Mahatma Gandhi College, delivered the inaugural address and inaugurated the chemistry association by lighting the lamp. The inauguration included felicitations by Dr. Anne Angeline Abraham, Vice Princiapl; Dr. Lynette Joseph, IQAC Coordinator; Dr. Siji K Mary, Head of the Department of Chemistry.

TTheir messages conveyed encouragement and support for the activities of Chemistry Association. he formal Proceedings were complemented by cultural programmes presented by the students. The programme concluded with the vote of thanks delivered by Ms. Jyothi Lekshmi, Association Secretary.

In the invited talk, Dr. Rahul S, emphasised that chemistry is not merely an academic subject but an integral part of a person’s everyday life. His message helped the students appreciate the presence and significance of chemistry in the world around them.

Department of Zoology

Invited Lecture on“Beyond the Ice: An Antarctic Journey Through Indian Science, Microbes and Microplastics.”:

The Department of Zoology, Bishop Moore College, Mavelikara, organized the Zoology Association Inauguration Programme on 25 September 2026 at 10:30 a.m. in the Seminar Hall. The programme featured Dr. Femi Anna Thomas, Assistant Professor, Department of Zoology, Union Christian College, Aluva, as the Chief Guest and Resource Person. She delivered an invited talk entitled “Beyond the Ice: An Antarctic Journey Through Indian Science, Microbes and Microplastics.”

The session introduced the students to the fascinating world of Antarctic research, microbial studies, and the environmental challenges posed by microplastics, providing them with valuable academic insights into these contemporary areas of zoological and environmental science.

The programme began with a prayer song presented by the students, followed by the welcome address delivered by Dr. Deepthi G. R., Head of the Department of Zoology. This was followed by the Presidential Address by Prof. Dr. Ranjith Mathew Abraham, Principal of the College, and the Inaugural Address by the Chief Guest.

The programme then proceeded with felicitation addresses by Prof. Dr. Anne Angelin Abraham, Vice-Principal of the College, and Dr. Lynnette Joseph, IQAC Coordinator.

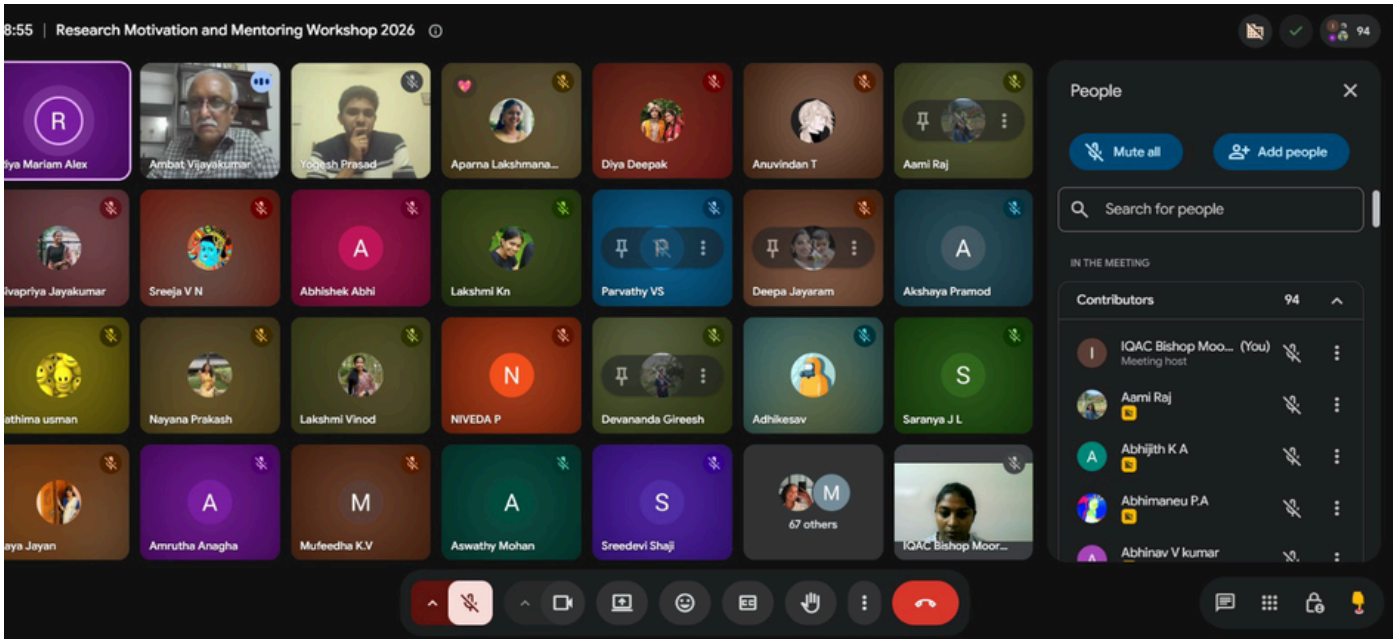

The formal session of the programme concluded with the Vote of Thanks delivered by Dr. Reeja Jose, Assistant Professor, Department of Zoology.

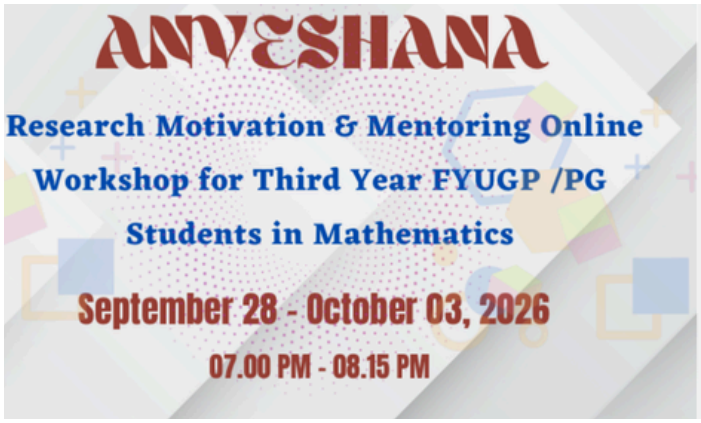

The invited session by Dr. Femi Anna Thomas included an engaging and informative interaction with the students, along with student activities.The programme provided a valuable academic platform for students to gain insights into emerging areas of zoological research and environmental science.

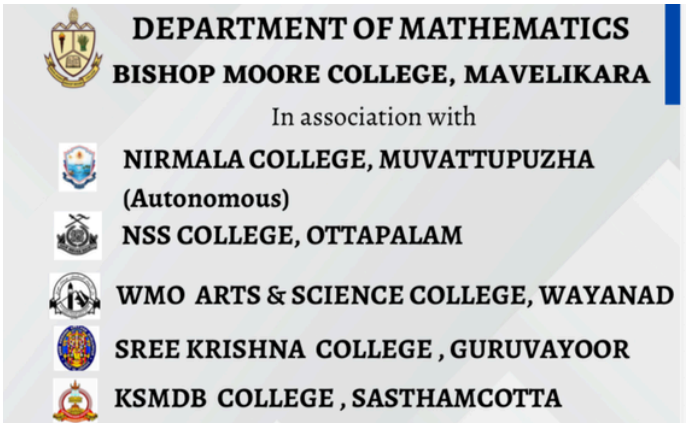

Department of Mathematics

ANVESHANA – Research Motivation & Mentoring Online Workshop

The Department of Mathematics, Bishop Moore College, Mavelikara, in association with Nirmala College, Muvattupuzha (Autonomous), WMO Arts & Science College, Wayanad, KSMDB College, Sasthamcotta, NSS College, Ottapalam, and Sree Krishna College, Guruvayoor, organized ANVESHANA – Research Motivation & Mentoring Online Workshop for Third Year FYUGP/PG Students in Mathematics from 28 September to 03 October 2026. The programme was inaugurated by Prof. Dr. Ambat Vijayakumar, Emeritus Professor, CUSAT, Cochin.

The six-day online workshop was designed to motivate students towards mathematical research and provide exposure to diverse and contemporary areas of Mathematics. The programme featured expert sessions by academicians and researchers from reputed institutions. The sessions covered a wide range of topics including Recent Research Areas in Graph Theory, Topology, Fractional Calculus, Number Theory, Probability, and Logic & Discovery. Resource Persons:Prof. Dr. Aparna Lakshmanan, CUSAT, Cochin; Prof. Dr. Vinod Kumar P. B., MITS, Cochin; Dr. Dilip Kumar, University of Kerala, Thiruvananthapuram; Prof. Dr. Vishnu Nampoothiri K., Government College, Ambalapuzha; Dr. Manikandan Rangaswamy, Central University of Kerala; and Dr. Viji Paul, WMO Arts and Science College, Wayanad.

The programme provided participants with opportunities to interact with experts, explore emerging research areas, and develop an interest in pursuing higher studies and research in Mathematics. Around 120 students from different colleges actively participated in the workshop, making the programme a valuable platform for academic interaction, research motivation, and knowledge sharing.

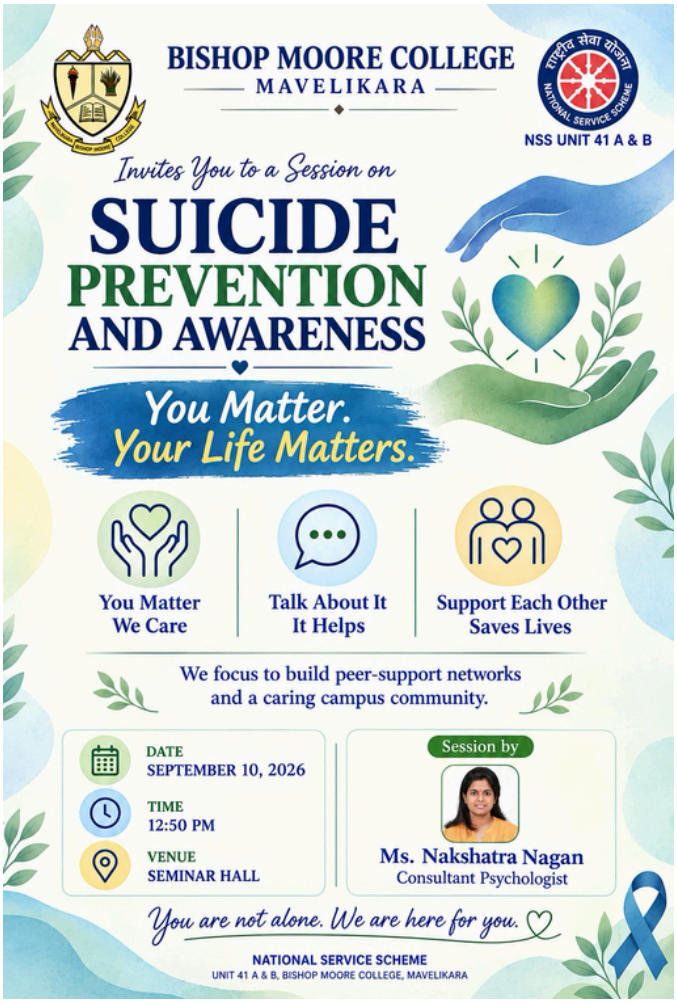

National Service Scheme

Suicide Prevention and Awareness Session

The National Service Scheme (NSS) Units 41 A and B of Bishop Moore College, Mavelikara, organised a Suicide Prevention and Awareness Session on 10 September 2026 at 12:50 p.m. in the Seminar Hall.

The session was conducted by Ms. Nakshatra Nagan, Consultant Psychologist, with the objective of creating awareness about suicide prevention, promoting emotional well-being, and fostering a supportive campus environment.

The programme highlighted the importance of recognising emotional distress, encouraging open conversations about mental health, and seeking professional help when needed. The resource person emphasised that compassionate listening, timely intervention, and emotional support can play a significant role in preventing suicide and helping individuals cope with difficult situations.

Career Guidance and Placement Cell

Session on "Ask Better Questions: Careers, Curiosity & AI"

The Career Guidance and Placement Cell, Bishop Moore College, Mavelikara in association with IEDC organized an interactive session titled "ASK BETTER QUESTIONS: Careers, Curiosity & AI" on 11th September 2026 at 10.00 AM in Room No. 59. The resource person for the session was Mr. Avinash Ashok, Founder, Nash Inside - Marketing & Research Consultancy and proud *alumnus of 2018-21 BSc Mathematics Batch, Bishop Moore College. The session focused on the different career path-ways and job roles available today and how they are shifting as AI changes the way work gets done. Instead of focusing on one fixed career plan, the speaker emphasized how to stay curious, ask better questions, and pick the right tools and skills to keep upgrading oneself along the way. He highlighted that in an AI-driven world, knowing your options and staying adaptable matters more than locking into a single path from the start. Around 30 students from various Departments participated in the event and benefited from the session.

Tourism Club

Nature Camp at Munnar

The Tourism Club of Bishop Moore College, Mavelikara, organised a Nature Camp at Munnar from 22 to 24 September 2026. The camp was designed to provide students with an opportunity to explore nature, appreciate biodiversity, and experience the beauty of the Western Ghats.

The programme included a visit to Eravikulam National Park, Munnar, offering participants an opportunity to experience the region's rich natural heritage and scenic landscapes. The camp aimed to promote environmental awareness, encourage responsible tourism, and help students develop a deeper appreciation of nature and its conservation.

The activities highlighted in the programme included scenic trekking, nature photography, interaction with fellow participants, and exploration of the natural surroundings.

These experiences provided opportunities for students to learn beyond the classroom, strengthen interpersonal relationships, and enjoy outdoor activities in a refreshing environment.

The nature camp also emphasised the importance of preserving ecologically sensitive areas and promoting sustainable tourism practices. By combining exploration, learning, and recreation, the programme encouraged students to connect with nature and understand the need to protect the environment for future generations.

The camp was a valuable experiential learning initiative of the Tourism Club, providing students with memorable outdoor experiences while fostering environmental responsibility, teamwork, and an interest in nature-based tourism.

NCC (Men)

Enrolment for Senior Division

The National Cadet Corps (NCC) Unit of Bishop Moore College, Mavelikara, conducted an NCC Enrolment Programme for Senior Division (Boys) on 25 September 2026 at 9:00 a.m. in the College Auditorium.

The programme aimed to provide eligible students with an opportunity to enrol in the NCC and develop qualities of discipline, leadership, patriotism, and social responsibility. The initiative encouraged students to participate in NCC activities and benefit from the training and experiences offered through the organisation.

The programme highlighted the role of the NCC in fostering character development, teamwork, physical fitness, and a spirit of service to the nation. Through NCC participation, students can develop confidence, organisational skills, and a sense of responsibility.

Department of Malayalam

Lecture on “Promoting Language and Literature in Campus”

The Malayalam Association of Bishop Moore College, Mavelikara, organised its inauguration programme for the academic year 2026–2027 on 25 September 2026 at 2:30 p.m. in the Seminar Hall.

The programme featured Prof. Dr. Anne Angeline Abraham, Professor and Head of the Department of Malayalam, Bishop Moore College, Mavelikara, as the resource person.In

The programme aimed to promote an appreciation of the Malayalam language and literature among students and encourage their active participation in literary and cultural activities. The session provided an opportunity for students to engage with the richness of Malayalam literary traditions and recognise the relevance of language and literature in contemporary society.

The inauguration marked the beginning of the association’s activities for the academic year, with an emphasis on nurturing literary interests, encouraging creative expression, and strengthening students’ connection with their mother tongue and cultural heritage.

The programme was a meaningful initiative towards promoting Malayalam language and literature on campus and fostering a vibrant literary culture among students.

Department of Physical Education

Aswini J. Shines as Best Player in State Netball Championship

Aswini J., a B.Com First Semester student of Bishop Moore College, Mavelikara, brought pride to the institution by being adjudged the Best Player of the Championship at the Kerala State Junior Netball Championship 2026–27. Her outstanding performance and sporting excellence earned her this prestigious recognition. The college congratulates her on this remarkable accomplishment and wishes her greater success in her sporting career.

Career Guidance and Placement Cell

“The UPSC Preparation Journey: Dividends Beyond the Destination”

The Career Guidance and Placement Cell, Bishop Moore College, Mavelikara, in association with Lead IAS, Thiruvananthapuram, organized an insightful session titled “The UPSC Preparation Journey: Dividends Beyond the Destination” on 25 September 2026 from 11:00 AM to 12:30 PM at Room no 59.

The session was led by Mr. Nazeeb Sameer, UPSC Prelims and Mains Expert, who shared valuable insights into the UPSC Civil Services Examination, the preparation journey, and the skills and learning gained beyond the ultimate goal of clearing the examination. His interaction with the students provided practical guidance on preparation strategies, perseverance, and developing a broader perspective towards competitive examinations and career opportunities.

The programme witnessed the active participation of students, who engaged enthusiastically with the session.

Department of Commerce

Best Manager Competition Winner

Surya Narayan, a student of S5 B.Com at Bishop Moore College, secured First Prize in the prestigious Best Manager Competition organized by Loyola College of Arts and Science, Thiruvananthapuram, as part of the LUMORA programme. His achievement reflects his managerial skills, leadership qualities and professional competence. The competition provided a platform for students to demonstrate their decision-making abilities, business acumen and managerial potential. This remarkable accomplishment brought laurels to the college.

National Service Scheme

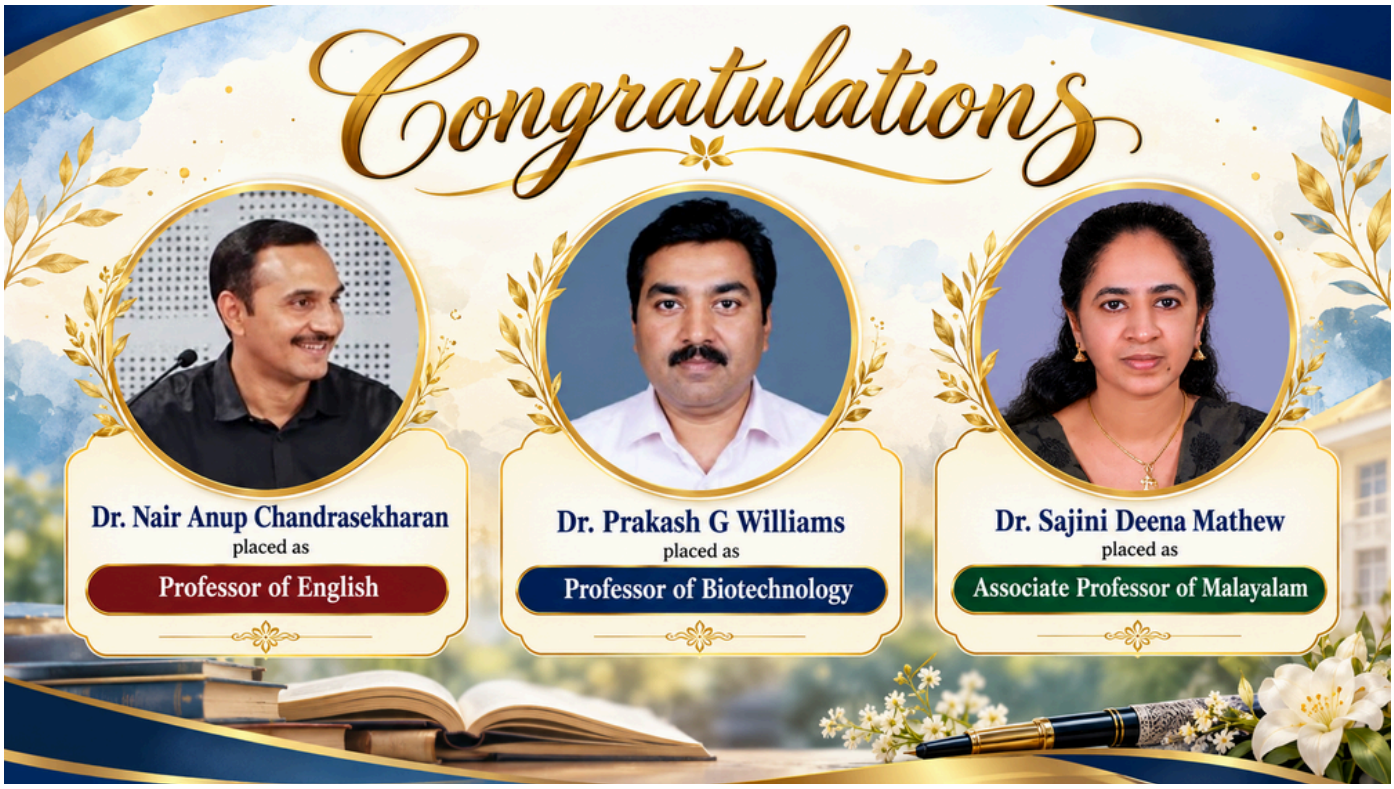

Community Cleaning Drive

On September 29, 2026, the National Service Scheme (NSS) Units 41 A & B of Bishop Moore College, Mavelikara, organized a successful Cleaning Drive at the K.S.R.T.C Mavelikara Bus Station in observance of Gandhi Jayanti. The community initiative, held under the motto of maintaining clean surroundings for family health, was graced by the encouraging presence of Principal Dr. Ranjith Mathew Abraham.

Dedicated NSS volunteers, wearing their official blue uniforms, worked actively alongside the officials and staff of the KSRTC depot, who highly motivated and encouraged the students as they cleared litter and swept the premises to improve public sanitation.

The programme highlighted the importance of civic responsibility, environmental cleanliness and collective participation in maintaining public spaces. It also provided the volunteers with an opportunity to put the values of Mahatma Gandhi into practice through meaningful community service.

Placement of Faculty Under Career Advancement Scheme

NCC Achievements
